DRIVER EDUCATION PARENT/STUDENT BEHIND-THE-WHEEL AGREEMENT

As the parent/guardian of _____ I hereby grant him/her permission to receive behind-the-wheel driving instruction. The parent/guardian as well as the student will be jointly responsible to comply with the rules and regulations, which have been reviewed, set forth by the Global Driving School. I understand that my son/daughter will be driving a vehicle as part of the driver training and am aware of the inherent dangers of such.

Students must have with them:

- face mask, permit glasses or contacts (if needed) a pen
- payment (must be made by time of appointment in check or cash)

Students agree to arrive 10 minutes prior to lesson start time. Parents understand for safety reasons that our office is not a waiting area. Students must be picked up promptly at end of lesson. Global is not responsible once a driving lesson has ended.

My son/daughter: *parent please initial*

- Has no medical condition that would affect the safety of behind-the wheel lessons
- Agrees to wear a face mask, covering both nose and mouth, for the entire duration of driving appointment
- And myself are aware that the student will be given a verbal health screening BEFORE each driving appointment, whether I am present or not
- And myself are aware that cameras (visual and audio) are mounted forward and rear facing in the driving school vehicles for training and safety purposes.

Any questions or concerns of ours have been addressed and/or discussed with a driving school employee.
